

**The 4th IFIP AGORA Seminar in Krakow, Poland**  
**ASLL : Ateliers and studios for Lifelong Learning in a Knowledge Society**  
**May 4 – 6, 2008.**

**Report from the Seminar.**

The seminar is part of the AGORA Approach. AGORA was originally a TC 3 initiative, but is now an IFIP Approach.

The programme consisted of presentations and panel discussions. All of them to be found at:  
[http://www.ifip-tc3.net/ecriture/articles.php3?id\\_article=186](http://www.ifip-tc3.net/ecriture/articles.php3?id_article=186)

We hope that many of the Polish presentations can be developed further as AGORA Ateliers /Studios.

Seminar organisation:
